CIVIL ACTION NO. H-09-0612

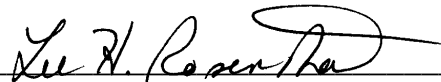

ORDER

Service of this action, filed on February 27, 2009, has not been made. Federal Rule of Civil Procedure 4(m) provides in part:

If a defendant is not served within 120 days after the complaint is filed, the court – on motion or on its own after notice to the plaintiff – must dismiss the action without prejudice against that defendant or order that service be made within a specified time. But if the plaintiff shows good cause for the failure, the court must extend the time for service for an appropriate period.

In accordance with this rule, it is ORDERED that the plaintiff, Borneo Energy Sendirian Berhad, file proof that it has effected service no later than **July 17, 2009**. Failure to do so may lead to dismissal of this action without prejudice. The initial pretrial conference set for June 26, 2009, is cancelled. It will be reset, if appropriate, after the plaintiff has served the defendant with process in this case.

SIGNED on June 15, 2009, at Houston, Texas.

United States District Judge
